WORK EXPERIENCE

Spiralogics International Software Engineer [.NET]

Mar, 2022 — Present

I am currently working as a .Net developer with a focus on MVC at Spiralogics International. In this role, I am responsible for designing, developing, and maintaining web applications using the .Net framework and MVC architecture. I have a strong understanding of software design principles and am committed to producing high-quality code. My experience as a .Net developer, particularly in MVC, has allowed me to make significant contributions to my team and our clients.

Nimble Infosys

Jul, 2021 — Feb, 2022

.Net System Implementation and Server Setup

I have experience in implementing and maintaining .Net systems and have a strong understanding of the .Net framework hosting. I have successfully delivered projects on various clients utilizing .Net technologies, including web applications and server-side solutions. I am skilled in server setup and have experience with configuring and maintaining servers running various operating systems.

Digital Marketing Agency

May, 2020 — Jul, 2021

Wordpress Designer and Photoshop

As a WordPress developer and graphic designer with experience at a digital marketing agency, I have a strong understanding of WordPress and have developed numerous custom WordPress websites. I am also skilled in hosting and have experience with managing and maintaining websites on various hosting platforms.

EDUCATION

Bachelor in Information Management

2017 — 2021

Orchid International College

I hold a Bachelor's degree in Information Management from Tribhuvan University. This degree program focused on the management of information systems and technology, and covered a range of topics including database design, software development, and project management. Through this program, I developed a strong foundation in the principles and practices of information management, and gained the technical and problem-solving skills necessary to be a successful IT professional.

INTERESTS

Passionate about football, both watching and playing, with a deep understanding of the game and its strategies. Enjoy participating in local chess tournaments and honing my skills in the game. Avid hiker, often taking on new and challenging trails, and enjoy the camaraderie of socializing with people while exploring the great outdoors. Traveling to new places and experiencing different cultures is a favorite pastime, and I am always looking for new adventures and experiences.
